

GBC / SB05 SUBMISSION REQUIREMENTS

1. Submission form. The attached submission form should be completed and securely fixed as the first page in a three ring binder.
2. A project binder must be submitted that includes:
 - .1 First page – the submission form.
 - .2 Second page – a single page describing the project, including the status of EE4 or other DOE2 energy simulations, and the status of LEED™ and/or Green Globes assessments or an indication of commitment to pursue the same.
 - .3 Subsequent Pages – a summary of the sustainability objectives for the project and how they were incorporated into the design process, such as a description of the stages, use of a facilitator, role of LEED™ and/or Green Globes or other formal processes and frameworks. Also provide a brief summary of how the project has responded to each of the following seven assessment criteria:
 - .1 Site Selection and Development
 - .2 Energy and Resource Consumption
 - .3 Environmental Loadings
 - .4 Indoor Environmental Quality
 - .5 Functionality and Controllability
 - .6 Long-Term Performance
 - .7 Social and Economic Aspects
3. Drawings: site plan, floor plans, sections, elevations, context plan.
4. Illustrations:
Photographs of the completed project or models or renderings if the project has not yet been constructed.

Entry Fee

\$100.00 per entry (includes GST). Make cheques payable to GBC 2005.

Performance Assessment

The winners will be involved in the preparation and assessment of their project at detailed level using the GBC 2005 Design Assessment Tool which is presently being finalized.

Notification of Selected Projects

Selection takes place in late October 2004, and assessments in the winter and spring of 2005. Successful entrants will be notified by e-mail.

Publication

Selected Projects will be published in Canadian Architect in early 2005.

Deadlines

Send all entries to arrive by 2:00 p.m., Friday, October 15, 2004.
