

Special rates for members of USGBC or CaGBC

2008 iiSBE Member Form for Organizations Pg. 1

Our organization is willing to become a *Member Organization* in iiSBE for the period ending on 31 October, 2009, in one of the following categories. Note that an organizational membership also provides the rights of one or more individual memberships, so please designate your representative(s) on this form.

- \$325 CAD** for a permanent or contracted staff of less than 10 persons (one member eligible to run for a voting seat on the Board and **one additional Member** with all other rights).
- \$600 CAD** for a permanent or contracted staff of 10 to 50 persons (one member eligible to run for a voting seat on the Board and **up to two additional Members** with all other rights).
- \$1150 CAD** for a permanent or contracted staff of more than 50 persons (one member eligible to run for a voting seat on the Board and **up to four additional Members** with all other rights).
- Our organization is willing to become a *Co-sponsoring Organization* in iiSBE, and we are willing to provide a larger contribution. Contact us for further discussions.
- Our organization is willing to provide technical documents in PDF for the SBIS R&D database.

The Organizational membership will entitle your Associate Members to:

- Full access to the SBIS database of information at www.sbis.info;
- The right to register your organization and all your individual Associate Members in the Skills Registry at www.iskr.net
- Use of the SBTool performance rating software;
- A subscription to the international refereed journal Building Research & Information for USD \$99, a saving of about \$300 from the regular price (apply at the BRI website);
- Networking support when you need to establish international contacts or find information.
- Member 1 will also be eligible to run for a voting seat on the Board of Directors.
